COMMENTS ON DRAFT ADDENDUM TO WORK PLAN, SITE VERIFICATION ACTIVITIES, AQUIFER CHARACTERIZATION AND TESTING AT IRP SITE 5S(A), FORMER MARINE CORPS AIR STATION, TUSTIN

Dear Mr. Newton:

We have completed our review of the above-referenced document, dated September 2005, which we received on October 3, 2005. The addendum proposes the installation of two groundwater extraction wells and four piezometers, which will be used to conduct aquifer testing.

We do not have any comments.

If you should have any questions, please call me at (951) 782-4498 or send e-mail to phannon@waterboards.ca.gov.

Sincerely,

Original signed by

Patricia A. Hannon
